

Washington State Department of Transportation/Eastern Region—2714 N. Mayfair, Spokane, WA 99207

September 5, 2002 CONTACT: Al Gilson, Public Information Officer (509) 324-6015

**WSDOT Construction Activity & Possible Delays/September 5-September 15, 2002**

This update is also available by calling 1-800-695-7623, extension 511.

**US 2/Deer Road to Westwood Road (MP 296.26-306.18)**- Work continues on this resurfacing project; minor items remain. Motorists should be aware of both northbound and southbound lane and shoulder restrictions, traffic directed by flaggers, slow-traffic, and minor delays. At least one access to all homes and businesses in the project area will be maintained.

**SR 20/Colville High School to Narcisse Road (MP 355.94-363.61)**- Crews are continuing paving road approaches. Motorists can expect minor delays with possible slow, single-lane traffic controlled by flaggers and/or pilot cars from 6 a.m. to 8 p.m., Monday thru Saturday as work continues.

**SR 23/Front Street in St. John (MP 14)**- Work on this improvement project on Front Street continues. Motorists can expect some sections of unpaved roadway within the work zone. A 24-hour detour is in place for SR 23 traffic. This is a City of St. John project.

**SR 27/Pines Road (MP 84-86)**- Avista crews are continuing utility work on this section of roadway from 4<sup>th</sup> Avenue to Cataldo Street in the Spokane Valley. This work requires minor lane restrictions on the northbound lanes of Pines Road; southbound traffic will not be affected. Motorists should be aware of possible minor delays and congestion in the work area.

**HIGH IMPACT!! I-90/Harvard Road Interchange (MP 296)**- Crews are completing minor items. Motorists can expect periodic lane restrictions and delays on Harvard Road and westbound I-90, and should be alert for slow traffic and congestion.

**HIGH IMPACT!! Harvard Road** – The City of Liberty Lake will close Harvard Road north of Mission Avenue to the Spokane River bridge beginning on Monday, September 9<sup>th</sup> as crews complete gas line repairs. Work is expected to be completed by September 17<sup>th</sup>. This is a City of Liberty Lake project. For additional information, please call 755-6700.

**HIGH IMPACT!! I-90/Sullivan Road (MP 291)**- On Friday, September 6<sup>th</sup>, crews will be performing minor repair work to the I-90 westbound off-ramp at Sullivan Road. The I-90 westbound off-ramp will be restricted to one lane during the repairs. All off-ramp traffic will use Indiana Avenue to access both northbound and southbound Sullivan Road.

Weekly Update

September 5, 2002

**SR 127/Church Hill Road to Dusty (MP 18-27.05)**-Work on this project has resumed. Crews are completing minor items. Motorists can expect minor, periodic lane restrictions, traffic delays, and possible slow traffic.

**US 195/City of Colfax, Vicinity of Poplar Street (MP 37.26)**- Beginning on Tuesday, September 10<sup>th</sup>, crews will be repairing the drainage system at Poplar Street at the south end of the City of Colfax. During the work, motorists traveling on US 195 should be aware of possible lane restrictions, traffic directed by flaggers, and slow-traffic. Poplar Street will be closed to thru traffic from US 195 during the repairs. Work is expected to be completed by Friday, September 13<sup>th</sup>.

**SR 270/Pullman City Limits to Spring Street (MP 0.00-2.82)**- Sign bridge structures have been installed and work is complete.

**HIGH IMPACT!! SR 290-Trent Avenue/Spokane River Bridge (MP 0.4-0.6)**- Work continues on this bridge replacement project between downtown and Hamilton Street. Trent Ave. is closed to through traffic between Riverpoint Blvd. and Cincinnati Street. Detours are fully signed. Access to all businesses on Trent is available. This is a long-term closure.

**SR 290-Trent Avenue/Fancher Road to Sullivan Road (MP 4.3-10.3)**- Work is complete.

**SR 290/Sullivan Road to the Idaho State Line (MP 10.35-18.38)**- Crews are completing minor items. Motorists can expect some traffic directed by flaggers and minor, periodic lane restrictions throughout the entire project limits.

**US 395/Arden to Colville (MP 219-229)**- Crews are continuing work on minor items. Motorists can expect minor delays and periodic lane restrictions.

**HIGH IMPACT!! US 395/Colville Main Street (MP 228-229)**- Extensive work continues in downtown Colville. Main Street continues to be reduced to one lane in each direction with possible slow traffic. The new signals at Main and Birch Street, and 5<sup>th</sup> and Wynne are expected to be turned on later this week. Motorists can expect some sections of gravel roadway within the work zone. All businesses are open. This is a City of Colville project.

**U.S. 395-North Spokane Corridor/Hawthorne to U.S. 2**- Crews are seeding along the new section of freeway. No traffic delays are expected.

**SR 904/Tyler to Cheney (MP 0.00-9.09)**- Work continues on this overlay project. Crews are working on minor items, as this project is near completion. Motorists can expect periodic traffic directed by flaggers and may see minor delays.
